WHOLESALE PRICE LIST

This List Cancels All Previous Lists

CLAIMS

All sales are made with the understanding that we shall not be liable in event of crop loss, or of damage from other causes over which we have no control.

We will gladly correct any errors, but we cannot entertain any claims that are not made within ten days after receipt of the stock or are made after the stock has once been accepted. Claims should be made promptly in writing on receipt of stock.

Plants become your property upon delivery to transportation company and we cannot be responsible for loss, damage, or delay in transit.

All orders booked are based on the distinct understanding that the purchaser agrees to the condition of sales as stated above.

CONDITIONS OF SALE

The prices named in this list cancel all previous lists. They are based on current market conditions and are subject to change without notice.

SPECIAL CASH DISCOUNT

A 5% Discount will be allowed for Cash In Full with order up to \$500.00. An additional 3% Discount will be allowed for Cash In Full with order amounting to \$500.00 or more. Another 3% Discount will be allowed for Cash In Full with order amounting to \$1,000.00 or more.

This Discount will be allowed if cash, in full, is paid when order is placed and digging, or delivery, is scheduled for not less than thirty days after date of payment.

SCHEDULE OF B & B CHARGES

The following charges are made to cover additional cost of balling and burlapping deciduous trees and shrubs that are not listed B & B. The size of ball for most stocks is in accordance with the A.A.N. "Horticultural Standards" recommendations.

These charges are based on a **carefully dug**, solid ball of earth, laced with rope, and handled according to the best nursery practice.

All B&B prices include loading on the truck, but does not include the cost of material for securing the load. Ropes should be supplied by the buyer.

All material with a 36" ball or over must be platformed, if we are to load the truck. If buyer loads his own truck, platforms are optional.

All material shipped in foliage that has to be covered, will be charged extra to the buyer.

All transportation charges will be paid directly to the Transportation Company.
